Application Instructions

Students have to submit the abstracts online via this link <https://www.research.net/r/StudentComDIFSC2018>

General Information

1. Competition entrants cannot have graduated more than a year prior to the deadline for submitting abstracts. Entrants must provide their graduation date within the abstract submission (online).
2. The work must represent original research completed and presented by the entrant.
3. Entrants may enter only one paper in the competition.
4. Acceptance of your abstract for presentation is independent of acceptance as a competition finalist. Competition entrants who are chosen as finalists will be notified of their status 15th of October 2018.

JUDGING CRITERIA

A panel of judges will evaluate abstracts and presentations. Selection of up to ten finalists for each competition will be based on evaluations of the abstracts and the scientific quality of the work. Only competition finalists will be judged at Dubai International Food Safety Conference (DIFSC) and will be eligible for the awards.

Judging criteria will be based on the following:

1. **Abstract** - Clarity, comprehensiveness and conciseness.
2. **Scientific Quality** - Adequacy of experimental design (methodology, replication, controls), extent to which objectives were met, difficulty and thoroughness of research, validity of conclusions based upon data, technical merit and contribution to science.
3. **Presentation** - Organization (clarity of introduction, objectives, methods, results and conclusions), quality of visuals, quality and poise of presentation, answering questions and knowledge of subject.
